## **Board Policy 5145.13 Protection of Undocumented Students**

The Board of Education is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

Charter School staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law.

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of their immigration status.

The Executive Director or Designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement.

Consistent with requirements of the California Office of the Attorney General, the Executive Director or Designee shall develop procedures for addressing any requests by a law enforcement officer for access to district records, school sites, or students for the purpose of immigration enforcement.

Teachers, school administrators, and other school staff shall receive training regarding immigration issues, including information on responding to a request from an immigration officer to visit a school site or to have access to a student.

The Executive Director or Designee shall report to the Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws. Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information.
